Have you thought about emailing all clients and users in your internal customer databases, and demanding they call their State Legislatures to decertify the vote and STOP THE STEAL!!, like that guy at Expensify?

Cool ! Bare in mind that any heirlooms you may have are priceless and not worth selling at any price. It's your kid's birthright, so keep it that way. (Both of my parents are descendants of the settlers... Our family never emigrated to the USA. Both my kids qualify for DAR and SAR).

"Standing on the shoulders of giants" is not only about Scientific Progress.

It's also about honoring and building on our ancestors principles.

God Speed to Patriots young and old.

I just re-read one of my Ancestor's documented exploits all the way back in King Williams' and Queen Anne's Wars, he served as a Major in Colonel Benjamin Church's Rangers. While others cowered within the forts, they ranged hundreds of miles in the middle of winter to seek out and destroy the enemy. The man himself once took on over eight Indians by himself when they tried to kidnap him for the enemy chief, and he walked back into town with the trophies. I wish I could even be half as bad-assed.
